

## INTENT TO MINE

City of Spartanburg has applied to the S.C. Department of Health and Environmental Control (SCDHEC) for a permit to mine sand/clay in South Carolina (Application I-001989). A proposed reclamation plan has been submitted indicating the site will be restored to residential property after mining. The proposed mine is located in Spartanburg County just south/southeast of Spartanburg city limits. The site is 1.3 miles east/northeast of the intersection of US Highway 221 (S. Church Street) and S.C. Primary Highway (Southport Road). Specifically the site is east and adjacent to Sims Chapel Road, north of Southport Road and south of Fuller Road, the site is west of Fairforest Creek. For more information concerning this application, go to the Public Notice site on the SCDHEC webpage ([http://www.scdhec.gov/environment/lwm/public\\_notice.asp](http://www.scdhec.gov/environment/lwm/public_notice.asp)) and click on **Intent to Mine Notice I-001989, City of Spartanburg**. Comments or inquiries concerning this application should be sent to the attention of Pam Bergstrand, SCDHEC, Division of Mining and Solid Waste Management, Bureau of Land and Waste Management, 2600 Bull Street, Columbia, South Carolina, 29201, phone (803) 896-4236. Comments must be received by the SCDHEC before 5:00 p.m. on October 20, 2011. Any individuals with disabilities or special needs who want to review the file should contact the Department at least one week prior to the end of the comment period to discuss any special services required.
